

Resident Welfare Association, R.H.R.S., Sonipat (Regd. 2018/2814)

MD/IRWO
New Delhi

Date:- 21.06.2021

Sub:- Maintenance of STP from Project fund in Rail Vihar Society Sector-10 Sonipat.

One of the items is STP maintenance. There are 15 to 20 tankers required for disposal of STP water on daily basis. This is highly expensive task and RWA has no amount. Throwing STP waste water outside the boundary wall is not permitted and pollution Deptt. officials have warned all Societies for such violation. This issue was discussed with MD's meeting as agenda item of 24.01.2020 and agreed for immediate solution. AMC for STP maintenance is pending with IRWO office since February which required to be done on priority basis.

In this regards, attention is invited on condition No.3&4 of **DG/Town & Country Planning Deptt.'s letter No. ZP-200/AD(RA)/2018/16320 dated 30.05.2018** whereby it has been specified that:-

Item No. 3. '.....You (IRWO) shall maintain the internal services to the satisfaction of the Director till the colony is handed over after granting final completion.

Item No. 4.....You (IRWO) shall be fully responsible for supply of water disposal of sewerage and storm water of your colony till these services are made available by HUDA/State Government as per their scheme.'

In view of above provisions, STP AMC may be kindly be considered on priority to avoid any fine from Pollution Deptt.

21/6/21
President,
